

Geography long term plan

	Class 1	Class 2	Class 3	Class 4
Autumn 1	Where do we live?	Where am I? (Local focus)	What is beneath my feet? (Part 1)	Where does my food come from?
Autumn 2	How can I look after my planet?		What is beneath my feet? (Part 2)	What makes a fair trade?
Spring 1	What is the Great Barrier Reef?			
Spring 2	What countries would I like to visit?	Where am I? (Wider local focus)		
Summer 1	Where do animals live?	Who are my neighbours? (National focus)		
Summer 2	What is in my local community?	Where on Earth? (Global focus)		Where does rain go?
