 - aspire to excellence and be determined to be successful in all that we do.

All adults in the academy have a responsibility to safeguard and promote the welfare of children.

Aims

- The aim of this policy is to set out the academy's admission criteria for places in Foundation Stage 1 (FS1).
- The Principal will ensure the procedures set out in this policy are adhered to when allocating places (either part-time or full-time) to children in FS1.

Admission Criteria

- Any parent/carer can apply for a place for their child in the Foundation, we are an inclusive academy.
- The Foundation provision at Langwith Bassett Junior Academy has 20 full-time equivalent nursery places. Both part-time (15 hours) and full-time (30 hours) place are available. Based on the capacity of the room and pupil: staff ratios, there are 16 places for 3 and 4 year olds (FS1) and 4 places for 2 year olds (FS0)
- Should the Foundation provision reach full capacity, further admissions will be kept on a waiting list. At this point, only children who live within the Langwith Bassett catchment area (as defined by Derbyshire County Council Admissions) will be offered a place.
- When at full-capacity, children on a waiting list will be admitted starting with the eldest child/ren first.

Joining the foundation Unit FS0 at aged2

- There are a limited number of 2-year-old places available. This is capped at 4 per session based on staff: pupil ratios and the capacity of the room. Parents interested in booking a place for their child should contact the academy office and Foundation staff will liaise with them to determine suitable provision.
- Up to 15 hours' provision will be offered to 2 year olds in the first instance. Once a child has settled this may be increased, if this is deemed appropriate for the individual child, if there is a place available and if all parties are in agreement
- Parents/carers must complete all the necessary paperwork prior to their child starting in FS1. This will include emergency contact numbers/medical information and various permission confirmations. Parents will also be asked to bring proof of the child's date of birth through sight of either the child's birth certificate or passport.
- On a termly basis, parents/carers will be asked to agree their child's attendance pattern for the following term and sign a written contract.

Free Universal Entitlement

15 hours per week, term time only

- All children are entitled to free nursery places the term after their third birthday. All children are entitled to 15 hours of provision which is funded through Derbyshire County Council.
- Children can access FS1 Funding the term after they are 3 years old. The FS1 staff will liaise with parents/carers to identify the most suitable attendance pattern at that time. This will depend on the number of children already on roll and will be subject to the 15 hour offer at that time (e.g. morning or afternoon sessions or full days if the nursery is not full).
- Parents/carers must complete all the necessary paperwork prior to their child starting in FS1. This will include emergency contact numbers/medical information and various permission confirmations. Parents will also be asked to bring proof of the child's date of birth through sight of either the child's birth certificate or passport.

- On a termly basis, parents/carers will be asked to agree their child's attendance pattern for the following term and sign a written contract.

Purchasing Additional Hours

If a parent/carer is not eligible for 30 hour funding, but would like the option to purchase additional hours to the 15 hours which are funded for free, dependent on the number of pupils on roll and the attendance pattern of children on roll, there may be the option to purchase additional hours.

Invoicing

- Parents/carers will receive an invoice for additional hours purchased on a weekly basis.
- Payments must be made within 14 days of the date of the invoice.
- Non-payment of additional hours will result in a parent/carer losing the opportunity to access additional hours.

Notice Period

- Should a parent/carer need to transfer their child to a different Foundation setting, we require 4 weeks' notice.

- Should parents transfer setting before the end of the notice period, the academy will still claim the 15/30 hour funding entitlement from the Local Authority and will make the new setting aware of this.

Bank Holidays

- Bank holidays are not funded by Derbyshire County Council.
- If the free entitlement falls on a bank holiday, we will not be able to swap the day missed to an alternative day in the week.
