At Shirebrook Academy, we welcome everyone. We believe that all students, no matter what their needs are, deserve a great education. We always try our best to make sure school is a place where everyone can learn and succeed.

We are proud that our school has many kinds of people, and we work hard to make sure everyone feels happy, safe, and supported. We are always looking for ways to make learning even better, especially for students with special educational needs. At the center of our school is building strong, positive relationships between pupils and staff.

Our aim is to create a school where acceptance, respect, and understanding are part of everyday life—so that every student can become the best version of themselves.
