Friday 18th September 2026

Dear Families,

It has been another busy and exciting week in school, with lots of wonderful learning, fun activities and special moments to celebrate.

Macmillan Coffee Afternoon – Friday 25th September

We would love to invite all our parents and carers to join us for a special Macmillan Coffee Afternoon on **Friday 25th September at 2.15pm.**

Come along and enjoy a cup of tea or coffee and a tasty while helping us raise much-needed funds for **Macmillan Cancer Support**, a wonderful charity that provides vital support to people living with cancer and their families.

If parents or carers are able to bake, we would be very grateful for any cake or treat donations to help make our afternoon extra special. All donations will be greatly appreciated.

We hope you can join us for a lovely afternoon of **friendship, cake and fundraising!**

Reading at Home – A Little Every Day

Just **10 minutes of reading together each day** can make a big difference! Encourage your child to read aloud to you, talk about the pictures and characters, and ask simple questions such as “*What do you think might happen next?*” or “*What was your favourite part?*” Most importantly, make reading enjoyable by sharing stories, comics, magazines or books that your child loves. ❤️ **Class teachers would love to see the reading achievements taking place at home, so please remember to record your child's reading in their reading journal.** A short note about what they have read, how they have read or something they have enjoyed can help us celebrate their progress and encourage a love of reading.

On Thursdays, we will be running **Sports Club** for children in Key Stage 2, with plenty of opportunities to get active and enjoy a variety of sports and games. If you would like your child to attend either club, please sign them up at the school office. We look forward to seeing lots of children getting involved!
