Striving for **Excellence**
Empowering Achievement
Shaping **Learning**

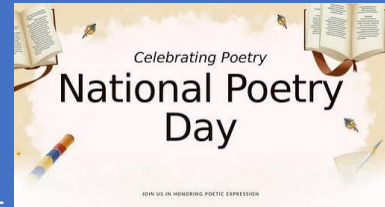

Friday 2nd October 2026

Dear Families,

As we move further into the Autumn term, it has been wonderful to see our children settling into their learning, embracing new opportunities and demonstrating our school values each day.

National Poetry Day

Yesterday, the children enjoyed celebrating **National Poetry Day** through a range of exciting activities centred around this year's theme of **Wonder**. They listened to and explored a variety of poems, discussing the feelings, questions and imagination that poetry can inspire. Using the theme as their starting point, the children then created their own wonderful poems, sharing their about the amazing world around them. We were delighted by their creativity, thoughtful ideas and impressive use of language, and it was wonderful to see so many children developing a love of poetry.

Polite Reminders:

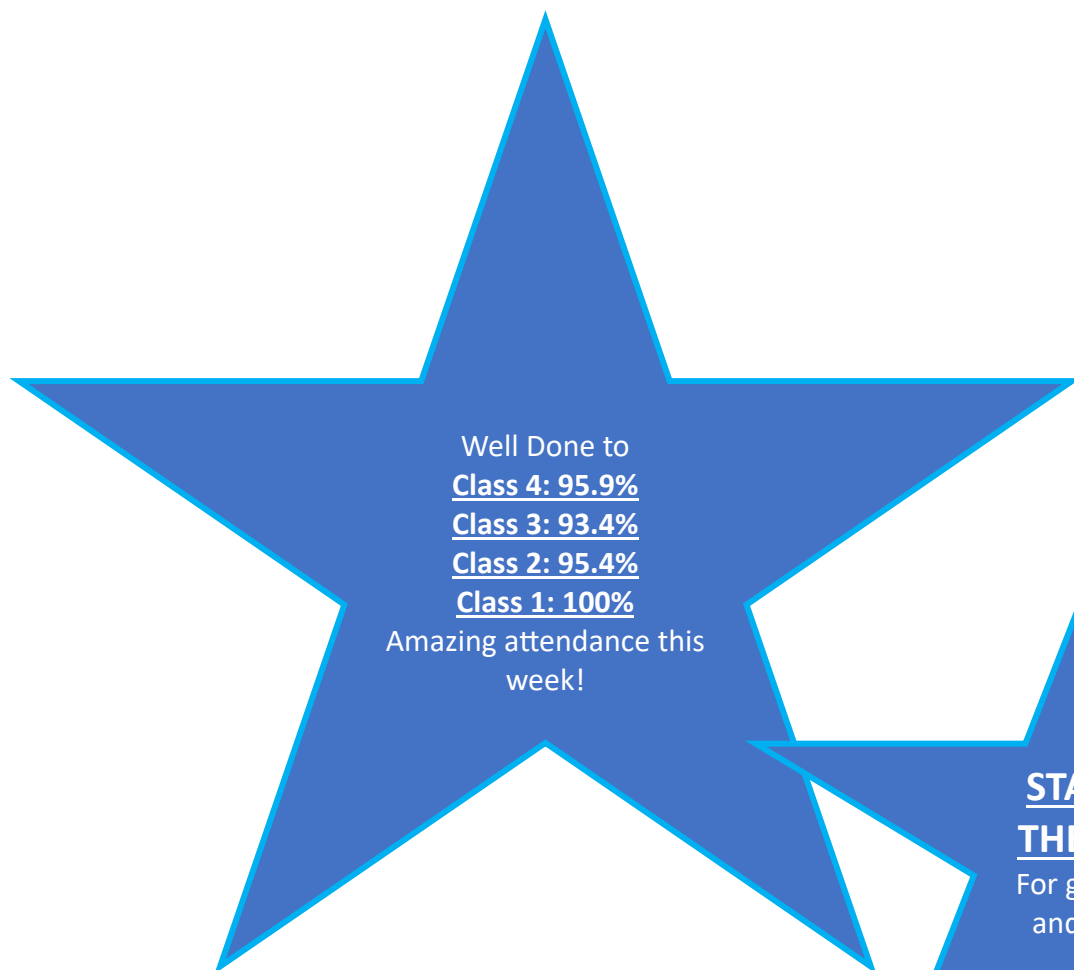

School is **closed** on Monday 5th October.

Parking - For the safety of all our children, we kindly ask parents and carers **not to park in the bus stop area** at the start and end of the school day. This is particularly important on **Thursdays**, when children are arriving back from swimming and need to be able to get on and off the bus safely. Thank you for your cooperation and support in helping us keep our children safe.

Harvest Festival

On **Monday 19th October**, the children will take part in a special **Harvest Festival Assembly** led by Rev. Karen to celebrate the importance of gratitude, community and helping others. As part of our celebrations, we are inviting families to donate **non-perishable food items**, which will be collected and donated to our local food bank to support those in need. We are grateful for any contributions and thank you for your continued generosity and support.

World Mental Health Day – Thursday 8th October

We will be marking World Mental Health Day on Thursday 8th October, and we would love your children to get involved.

Mental health and wellbeing are just as important as physical health, and we are committed to supporting every child's emotional wellbeing. World Mental Health Day gives us a wonderful opportunity to:

- Start conversations about feelings and emotions in an age-appropriate way
- Show children that it's okay to talk about how we're feeling
- Build understanding that everyone has mental health, just like everyone has physical health
- Create a supportive environment where children feel safe to share their worries and concerns
- Celebrate the things that make us feel happy and healthy

By marking this day, we are helping to build a positive culture around mental health from an early age, so children grow up knowing that their feelings matter and that support is always available.

Wear something yellow!

To make the day special and fun, we're inviting children to wear something yellow alongside their usual school uniform to add a splash of yellow to brighten the day!

Throughout the day, classes will take part in age-appropriate activities focusing on feelings, kindness, and looking after ourselves and others.

We look forward to celebrating World Mental Health Day with your children.

Dinner Menu

We're pleased to share that next weeks dinner menu will be **week 3** so you can see what meals are planned. You can find a copy of the menu on the outside display board. Please note that it is pizza on Tuesday.

We hope you all have a wonderful, extended weekend.

Best wishes,
The Langwith Team
